Why Sponsor

GET VISIBILITY

Choose from a range of packages designed to raise your exposure

BUILD CONTACTS

Show your brand presence to an international business audience

POSITION YOURSELF

As a leader in compound semiconductor collaboration and innovation

BESPOKE PACKAGES

Let us create a custom package to meet your needs

ColnnovateCS will focus on exploding markets that will shape communications and connectivity over the next decade, 3D Sensing, 5G Wireless, Automotive LiDAR and Silicon Photonics/Datacenter.

As a partner or sponsor of ColnnovateCS you will showcase your brand as a leader in the Compound Semiconductor supply chain enabling these technologies, showcase your business to an international audience, and highlight your commitment to collaboration and innovation.
