# Why Sponsor

---

## GET VISIBILITY

Choose from a range of packages designed to raise your exposure

## BUILD CONTACTS

Show your brand presence to an international business audience

## POSITION YOURSELF

As a leader in compound semiconductor collaboration and innovation

## BESPOKE PACKAGES

Let us create a custom package to meet your needs

ColInnovateCS focuses on exploding markets that will shape communications and connectivity over the next decade.

As a partner or sponsor of ColInnovateCS you will showcase your brand as a leader in the Compound Semiconductor supply chain enabling these technologies, showcase your business to an international audience, and highlight your commitment to collaboration and innovation.
